How Jack Became Jock

Personnel screw-up!

Mr Doddings begs him not to blow the whistle. “No Harm No Foul!” Then, suddenly dies.

New guy, Dr Chalice, ever-flustered, doesn't want to hear about it. Literally runs when it’s even mentioned!

Anyway, years pass, and no one misses Jack.

No wonder. There’s only one Jock!

Who marries, has three confectionary daughters with his Millie.

His Millie! So very petite.

They sing as Jock’s Wee Lassies.

He conducts in greenest Kilt and immense Tam O’ Shanter.

(Instructed not to powder reddest nose

in America!)
